3 I therefore beg to request that the benign Government of His Highness the Maharaja of Mysore will be so good as to grant permission on the 27th idem to all the Musalman officers and officials in the Government service to attend the Conference sittings and to derive some benefit therefrom It may be noted here that in fixing the dates for the sittings of the Conference the committee has taken advantage of the Government authorized holidays which fall on the 28th and 29th idem

4 As the Conference will confine itself to the discussion of purely educational matters, it seems necessary and desirable that all Hindustani teachers should with the kind permission of Government take part in the deliberations It may not be out of place to state here that when the All India Educational Conference was held at Madras in December 1901 the Government of Mysore had been pleased to depute thereto Mr A K Syed Taj Peeran Saheb, B A the then Deputy Inspector of Hindustani Schools of the Province, who not only furnished the necessary statistics and information to the Conference Committee concerning Mohamedan Education in Mysore but also took part in the deliberations of the Conference/
